" [Online booking](#) ROCKS- I got my kids to bed and realized I was too late to call you... I went on line and sure enough I could book online... what a great feature and EASY to do"

"The slide was in great condition and the driver was on time, friendly, and moved the heavy bounce to just the right spot. He then checked the entire bounce, cleaned it, showed me how to use it and gave me a card to call if we had any questions no matter what time"

" I booked with another company before and did not realize that they were non licensed, they cancelled at the last minute and you all came to the rescue and saved the day for our daughter's princess party. Add to it you ended up being cheaper as the other company would have charged for delivery"

"Everything was great, we have used you for 4 years and have never had a problem, your equipment is reasonably priced, your team is friendly and your service is outstanding"

Discount, price matching, and certain other restrictions apply to new bounce rentals only for the period July 3rd- July 5th. We reserve the right to limit inventory.
